Organic Vegetable Subscriptions

This year, our veggie CSA members will receive a weekly assortment of seasonal vegetables at the farm store once a week for **21 weeks** from June through October.

We have two options available: a full share and a half share. The weekly box for a full share will be suitable for a four-person family for one week, and the half share will be suitable for two people. The price for one full share is \$735, and the price for a half share is \$525.

To reserve a share, please send a deposit of \$100 for a full share or \$50 for a half share. The balance will be due in full by May 15th. We are also offering an early pay discount of one free week if paid in full by March 31st (\$700 for full share, \$500 for half share).

Please indicate your choice for which day of the week you would like to be your designated pick-up day:

Tuesday Friday Saturday

We will hold a subscriber open house at the farm in the Spring to review pick up procedures. Please see our [website](#) for a list of some of what we are planting this year.
